Dear Sir:

On May 1, 2004, the Church of the Ascension is having its annual "Bash". The "Bash" highlights the cultural diversity of the parishioners and the members of the community. The activities involve different types of entertainment, including skits and dance performances among others.

For the past few years, through your efforts we have been able to obtain a stage for the performances. Once again, we request that you make the necessary arrangements so that we will have a sound system and a stage on which the entertainers can perform.

We thank you for your past support and for your consideration of our present request.

Very truly yours,

Norbert Cooper
